3 **7. NEW BUSINESS:**

4
5 **A. Topics for discussion with the City Commission:**

6
7 Mr. Moore referenced page 2 of the September 12, 2011 Minutes under Item 7.A. "New By Laws"
8 which indicated that this board would have a list of projects worthy of discussion, that would be
9 submitted to the City Commission for approval for this board to undertake.

10
11 Two pictures of Dewey Boster park signage was handed out to the members for review. Mr.
12 Moore explained that some of the signage on the fence could be coordinated into one (1) sign and
13 that some of the signs need to be more strategically placed throughout the park. He added that
14 some of the signs appear negative because they say "no" this or "no" that. "No" could be more
15 positive, like "Please do not skateboard in this park" and he said that particular sign should be
16 placed by the concession stand and the stage area. Another important sign for this park would be
17 that dogs are prohibited from being on the athletic fields. Mr. Moore said he would like to take
18 this to the City Commission as a project for this board since Dewey Boster is so heavily
19 populated. He wanted this board to help develop rules for the park and the playground.

20
21 Mrs. Armon suggested asking Wal Mart for a donation of age appropriate toys for kids up to pre-
22 school age and the Parks Department having a program for kids utilizing city facilities for
23 example, Harris Saxon Community Center. She also suggested recruiting volunteers to teach
24 classes and share their skills in subjects like automotive, craft, inter-mural adult kickball, etc. as
25 that would give a sense of community.

26
27 There was also the suggestion of putting exercise stations on the walking trail.

28
29 The board wanted to include communication as something to be addressed because information on
30 events did not always get around. They asked if the City could use banners to announce upcoming
31 events and Mr. Moore explained that we are limited in what we can actually put out.

32
33 Ms. Srebernak talked about revamping the trail at Harris Saxon and also having some outdoor
34 events where they could assist staff. Mr. Moore responded that exercise equipment used to be at
35 Harris Saxon and Wes Crile parks but they had been removed. He suggested that maybe one
36 could be put at Keysville Dog Park. It was stated that Home Depot has a "Sweat Equity" program
37 and someone suggested that maybe Home Depot would like to make a donation towards our trails.

38
